2023 REGULAR SEASON NOTES

2023 MIAMI MARLINS (84-78)
Matched fourth-best record in Marlins history, securing the club's fourth ever postseason appearance

MARLINS MINUTE
The Miami Marlins finished their 2023 campaign 84-78, the best record by the Marlins since 2009, when they went 87-75, and is tied for the 4th-most wins in the 31 years of Marlins baseball.

GET WILD MIAMI!
The Marlins clinched a National League Wild Card spot, marking the fourth Postseason appearance in club history and first since 2020. The last time the Marlins reached the Postseason in a full season was 2003, when the club won the World Series as a Wild Card.
- In securing the second National League Wild Card position this season, the Marlins returned to a familiar position, as it marked the fourth time (of four total postseason appearances) that the club made its way into the Postseason as a Wild Card seed. In 1997, the Marlins became the 1st team in MLB history to win the World Series as a Wild Card team (Wild Card Era began in 1995). Then, in 2003, the Marlins became the only team in MLB to win the World Series two times as a Wild Card team, and still hold that title.
- Miami earned the second Wild Card spot in the National League, finishing the regular season tied with Arizona who they went 4-2 against in 2023 to win the first tiebreaker.

IN SKIP WE TRUST
Rookie Manager Skip Schumaker guided the Marlins to a 84-77 record and .522 winning percentage this season. He is the third Marlins manager to secure a winning record in their first full season managing the team, joining Jim Leyland (92-70; 1997) and Jack McKeon (83-79; 2004), with the 84 wins marking the second-most wins for a manager in their first full season. Both Leyland and McKeon had previous managing experience prior to becoming the Marlins manager.

DO YOU REMEMBER?
The club entered September with a .500 or better record for the 1st time in a full season since 2016, and 8th time overall in club history. The Marlins proceeded to go 17-10 in the month of September, tied for the second-most wins in the National League. It also tied the 2009 team for the second-most September wins in club history, behind only the 2003 Marlins who went 18-8..
- Miami finished September ranked 2nd in MLB in batting average (.271), behind only Atlanta (.275).

SHATTERING RECORDS
Miami recorded the club's most ever first-half wins, 53, surpassing the previous high of 50 done in 1997 and 2008, and posted the second-best winning pct. prior to the All-Star Break in Marlins history (.571), trailing only the 1997 team. See chart to right.

WINNING WAYS
On both June 29 at Boston and July 9 vs. Philadelphia, the Marlins reached a season-high 14 games over .500, marking just the third time in franchise history the Marlins have been at least 14 games over .500 at any point (also, 1997 - finished 22 games over; and '03 - finished 20 games over).

HOME IS WHERE THE HEART IS
Miami went 46-35 at home during the regular season, with the 46 home wins marking the most in loanDepot park history and the club's most since 2003, when they went 53-28. Are the 6th team in franchise history to win at least 46 home games.
- The Marlins totaled 741 hits in their 81 home games, marking the 3rd-most hits at home in a season in club history, trailing the 2007 Marlins (760 H) and 2009 Marlins (755 H).
- Their collective .274 batting average at home is the second-best mark in Marlins history, trailing only the 1995 Marlins, who hit a .276 average at their home ballpark, Joe Robbie Stadium.

HOME OF BÉISBOL
The Marlins concluded the home slate of the 2023 regular season at loanDepot park on Sunday, Sept. 24, having hosted 1,162,819 fans over the 81 games. It marks the first season with more than 1 million fans since 2017 and is nearly a 30 percent increase over the club's 2022 attendance total.

ONE-RUN WONDERS
The Marlins went 33-14 in one-run games this year, with their .702 winning percentage in such games marking the best record in MLB. Only the Reds won more games decided by one run (34).
- Miami's .702 winning pct. in one-run games is the best mark in franchise history, while the 33 one-run wins are tied for the 2nd-most such wins with the 1997 and 2000 teams, trailing only the 2014 Marlins (35-29).
- The 2023 Marlins joined the 2019 Giants and 2003 Giants as the only National League teams since 1980 to own a winning pct. of .700 or higher in such games.

ONE FOR THE RECORD BOOKS
The Marlins began the season going 12-0 in one-run games, marking the most consecutive wins in MLB history in games decided by one run to start a season (courtesy of Elias Sports Bureau). Surpassed the previous mark of 11-0 set by the 1972 New York Mets. The Marlins went 33-13 in one-run games in 2023, following up a season in which they played 64 one-run games and lost 40 of them in 2022. Marked the most in a season in club history and the most since the 1975 Astros (41), and just three shy of the single-season record for one-run losses during the Live Ball Era (since 1920) held by the 1968 White Sox (44).
- Miami dropped its contest to Cincinnati on May 13, 5-6, becoming the last team in MLB to lose a one-run game in 2023.

- His .354 AVG is the highest by a Marlin in a single season in club history and marked the highest average by any player in MLB since TEX's Josh Hamilton in 2010 (.359), and the best in the NL since ATL's Chipper Jones in 2008 (.364).

FISH TO THE SEA

Miami sent two players (2B **Luis Arraez** and DH/OF **Jorge Soler**) to Seattle for the Midsummer Classic, the second straight year the club sent more than one player to the All-Star Game, as the National League took home their first ASG victory since 2012, 3-2, over the AL.

RHP **Eury Perez** made his Major League debut on May 12, 2023, vs. Cincinnati at 20 years and 27 days old, becoming the youngest pitcher in franchise history. The previous youngest pitcher was Jose Fernandez, who debuted at 20 years and 250 days.

- On Aug. 18 at LAD...Perez struck out a career-high 10 batters in Game 1 of the DH to become the youngest pitcher (20-162) to record double-digit strikeouts in a game since Seattle's Felix Hernandez (19-129) struck out 11 batters on Aug. 15, 2005 vs. the Royals.

POSTSEASON FIRSTS

The Florida Marlins played their first franchise postseason game on September 30, 1997, a 2-1 win over the San Francisco Giants in Miami. Kevin Brown threw the first playoff pitch in franchise history, to Darryl Hamilton. Brown collected the first Florida postseason strikeout, fanning J.T. Snow to lead off the second inning. Brown retired the first 14 Giants he faced before allowing the first hit to an opponent, a single to Stan Javier with two outs in the fifth inning. Florida's first postseason batter was Devon White, who faced Kirk Rueter and popped out to second baseman Jeff Kent. The first Marlin to reach base was Gary Sheffield on a two-out first-inning walk. The first Florida hit came off the bat of Bobby Bonilla, following the Sheffield walk. The first run allowed by Florida came in the top of the seventh when Bill Mueller hit a leadoff homer. The Marlins scored their first run in the bottom of the inning, on a Charles Johnson leadoff homer.

A FIRST FOR EVERYTHING

The Marlins became the first team to qualify for the postseason and win the World Series as a Wild Card. At the time, Florida was the fastest expansion team to win the World Series, done in their fifth season. The Arizona Diamondbacks surpassed Florida's mark, winning their World Series title in 2001, their fourth season.

RECORD WINNING STREAKS

The Marlins were the third team in postseason history to sweep their first playoff series in team history, joining the 1914 Braves, who swept the Philadelphia A's, and the 1969 New York Mets, who swept Atlanta. Florida began its postseason run with four straight wins, only the second team in baseball history with a franchise-opening playoff win streak of four or more games. The Braves won five straight games to open their postseason history, a four-game sweep in the 1914 World Series, and a win over Cleveland in the 1948 postseason.

NATIONAL LEAGUE DIVISION SERIES NOTES

SWEEPING SUCCESS

With their 3-0 sweep over the Giants, the Marlins became the fastest expansion team to win a postseason series (surpassed by Arizona in 2001). Prior to the Marlins, the fastest NL team to win a playoff series was the New York Mets, in their eighth season. The Marlins won each of the three games over the Giants in comeback fashion, including games one and two in their final at-bats. The 1997 Marlins led the Majors with 24 last at-bat victories in the regular season.

NATIONAL LEAGUE CHAMPIONSHIP SERIES NOTES

LIVAN MOST VALUABLE, PART 1

Liván Hernández went 2-0 with a 0.84 ERA in two appearances (one start) in the NLCS vs. Atlanta. He became the first pitcher in LCS history to record a win as both a starter (Game 5) and as a reliever (Game 3) in the same series. In Game 5, Hernández established an NLCS record and tied an LCS record with 15 strikeouts, the second-highest strikeout game in postseason history. His 2-1, three-hit win in Game 5 was his first Major League complete game.

NUMBERS DON'T ALWAYS MATCH UP

The 1997 Marlins became the second team to advance to the World Series, despite posting a lower batting average and higher ERA than their LCS opponent. The Braves outhit the Marlins .253 to .199 and had a 2.60 ERA, compared to Florida's 3.57. The first time it happened was in 1992 when the Braves topped the Pittsburgh Pirates in a series managed by Bobby Cox and Jim Leyland.

WORLD SERIES NOTES

LIVAN MOST VALUABLE, PART 2

Liván Hernández (2-0, 5.27 ERA) became the second rookie in MLB history to win the World Series MVP award, joining Larry Sherry of Los Angeles-NL, who claimed the honor in 1959. Hernández also became the first rookie pitcher in 50 years to win two World Series starts. The last rookie to do it was the Yankees' Spec Shea in 1947. Hernández became the youngest pitcher to win a World Series opener at the age of 22 years, 7 months, and 28 days. He was the first rookie to win a Series game since Atlanta's Mike Stanton on October 23, 1991 (G4 vs. MIN), and the first rookie starter to win since Baltimore's Storm Davis on October 15, 1983 (G4 at PHI). Prior to Hernández, the last rookie starter to win a Series opener was Philadelphia's Bob Walk (October 14, 1980 vs. KC).

JIM LEYLAND

Marlins manager Jim Leyland became the first World Series manager not to have played in a Major League game since Boston's John McNamara in 1986. The last National League skipper without Major League playing experience was Philadelphia's Paul Owens in 1983. Leyland became the first manager to win his World Series debut since Cincinnati's Lou Piniella on October 16, 1990, vs. Oakland.

BRRRR

In Game Three of the World Series, on October 21, the Marlins and Indians played in 15-degree wind chill temperatures, the coldest World Series game ever played, according to records kept.

PLAYING EXTRAS

Game Seven of the World Series, won by Florida, 3-2, on an Edgar Rentería single off Charles Nagy in the bottom of the 11th inning, was the third Game Seven in World Series history to go to extra innings. The others were played in 1924 and 1991.

NOTABLE ACCOMPLISHMENTS

Jeff Conine became the first player to go from the expansion draft to the World Series with the same team. Conine was selected from Kansas City with the 22nd pick in the 1992 expansion draft. Conine and Alex Arias are the first players to play for a team in its inaugural season and reach the Fall Classic since the Mets' Ed Kranepool in 1969.

A WINNING DEBUT

The Marlins won their first-ever World Series game on October 18, 7-4, over Cleveland at home. The prior team to win their first-ever World Series game was Toronto in 1992.

ALTERNATING WINS

The Marlins won World Series games one, three, five, and seven, while the Indians took games two, four, and six. It marked the third time in World Series history that teams alternated victories in all seven games, joining the 1909 Fall Classic between the Pirates and Tigers, and the Yankees and Giants in 1962.

A HEART-STOPPER

Game Seven of the World Series marked the fourth time in World Series history that a winner-take-all game in the Fall Classic went into extra innings, along with the 1991 Series (MIN vs. ATL), the 1924 Series (WAS vs. NYG), and the 1912 Series (BOS vs. NYG). Overall, it marked the seventh time that a deciding World Series game went to extra innings, along with the 1933, 1939, and 1996 games. The 1997 Series was the 10th time a Fall Classic was won by the home team in the bottom of the ninth inning or later (with 1912, 1924, 1927, 1929, 1935, 1953, 1960, 1991, and 1993) and the fifth time in a winner-take-all situation.

MARLINS NOTES

THE MARLINS ARE ONE OF FOUR MAJOR LEAGUE BASEBALL EXPANSION TEAMS TO WIN MULTIPLE WORLD SERIES. FLORIDA ACCOMPLISHED THE FEAT IN THEIR FIRST 11 SEASONS, THE FASTEST AMONG THEIR EXPANSION MATES.

TEAM	EXPANSION YEAR	WORLD TITLES	YEARS
MARLINS	*1993*	*1997, 2003*	*11*
BLUE JAYS	1977	1992, 1993	17
METS	1962	1969, 1986	25
ROYALS	1969	1985, 2015	47

The Marlins entered the 2003 postseason as the National League's Wild Card entry, the fourth team in Major League Baseball history to enter the playoffs as the Wild Card multiple times. The Marlins (also Wild Card in 1997), joined the New York Mets (1999 and 2000), the New York Yankees (1995 and 1997), and the Boston Red Sox (1998, 1999 and 2003). Florida is one of three Major League Baseball expansion teams to make the postseason at least twice in their first 11 seasons. Kansas City came into play in 1969 and made the postseason in 1976, 1977, and 1978. Arizona began play in 1998 and saw postseason action in 1999, 2001, and 2002. The Marlins are one of six teams to advance to the World Series as a Wild Card team and one of four (with the Angels, Red Sox, and Giants) to win it.

SIX STRAIGHT

The Marlins concluded the World Series with wins in each of their six playoff series to open the Club's franchise history. The six straight playoff series wins surpass the mark of consecutive postseason series wins to begin a team's playoff history, done by the Boston Red Sox from 1903-1918.

A WILD POSTSEASON

During the 2003 postseason, the Marlins posted three extra-inning victories, notched three wins when trailing by three or more runs, and collected four wins in their final at-bats. According to Jayson Stark on ESPN.com, the Marlins are the fourth team in postseason history with three extra-inning wins and are the fourth team to win three games when trailing by three or more runs. Additionally, no postseason team had ever won more than four games in their last at-bat.

RECORD-SETTING CROWDS

The NLCS Game 4 crowd of 65,829 against the Cubs on October 12 set a new LCS attendance record, surpassing the previous mark of 65,476 (HOU @ PHI on 10/8/80). The Marlins also set a DS attendance record, drawing 65,464 in Game 4 vs. San Francisco (October 4). The October 23 World Series crowd of 65,975 was the largest World Series crowd since Game 7 of the 1997 Series when the Marlins drew 67,204 to see Florida host the Cleveland Indians.

NATIONAL LEAGUE DIVISION SERIES

A SERIES FOR THE AGES

The NL Division Series between the Marlins and Giants featured 72-year-old Jack McKeon and 68-year-old Felipe Alou. McKeon was the oldest manager to participate in postseason play in Major League Baseball history, while Felipe Alou was the fourth-oldest. Below is a look at the list:

JACK McKEON	2003 FLORIDA	72 YEARS OLD
Casey Stengel	1960 New York (AL)	70 years old
Davey Johnson	2012 Washington	69 years old
Connie Mack	1937 Philadelphia (AL)	68 years old
Tommy Lasorda	1995 Los Angeles (NL)	68 years old
Felipe Alou	2003 San Francisco	68 years old
Jim Leyland	2013 Detroit	68 years old

The two opposing skippers in this NLDS, McKeon and Alou, had a combined age of 140 years, the highest combined age of any two managers facing each other in postseason history. Below is a look:

COMB. AGE	YEAR	TEAMS	MANAGER
140	2003	FLA-SF (DS)	McKeon / Alou
128	1958	NYY-ATL (WS)	Stengel / Haney
126	1957	ATL-NYY (WS)	Haney / Stengel
123	1949	BRO-NYY (WS)	Shotton / Stengel
119	2013	DET-BOS (CS)	Leyland / Farrell
118	1953	BRO-NYY (WS)	Dressen / Stengel

OH THOSE LEFT ON BASE

The Marlins and Giants combined to leave 30 men on base on October 3, setting a new NLDS record. The previous mark was 26, done by the Giants (16) and Mets (10) in a 13-inning contest on October 7, 2000.

WHAT WAYS TO WIN IT

The Marlins closed out their series with the Giants in rather historic ways. On Friday, October 3, the Marlins downed the Giants, 4-3 in 11 innings. The Giants scored an unearned run in the top of the 11th and the Marlins countered with two unearned tallies in the bottom. It marked the first time since Game 8 of the 1912 World Series that a team came from behind to win a postseason game with two unearned runs in the bottom of an extra inning, according to the *Elias Sports Bureau*.

The Marlins followed that classic ending with more excitement on Saturday afternoon, October 4, when the Fish ended the NLDS with a 7-6 win over the Giants. The game ended as Jeff Conine threw out J.T. Snow at home plate on a Jeffrey Hammonds single to left. According to the *Elias Sports Bureau*, the event marked the first time in Major League Baseball postseason history that a series ended with the tying run being thrown out at home plate.

CABRERA MATCHES POSTSEASON MARK

Miguel Cabrera went 4x5 in Game 4 of the National League Division Series vs. San Francisco. The four hits tied a Major League postseason record for hits by a rookie, joining NYY's Derek Jeter (1996 ALCS G1), LAD's Chad Fonville (1995 NLDS G2), NYG's Freddie Lindstrom (1924 WS G5) and STL Browns' Joe Garagiola (1946 WS G4).

Cabrera had four home runs and 12 RBI in the 2003 postseason, the best single-season rookie home run and RBI marks in MLB playoff history. Entering this postseason, Willie McGee (1982 STL) held the rookie RBI mark at 10. Hideki Matsui had 11 RBI in the 2003 playoffs, one behind Cabrera.

NATIONAL LEAGUE CHAMPIONSHIP SERIES

PINCH ME

Mike Lowell became the sixth player in MLB post-season history to hit a pinch-hit home run in extra innings when he homered in the top of the 11th inning on October 7 at Chicago. Below is a look at the all-time postseason extra-inning PH homer list:

MIKE LOWELL (FLA)	G1 2003 NLCS at CHC
Trot Nixon (BOS)	G3 2003 ALDS vs. Oak
Mike Pagliarulo (MIN)	G3 1991 ALCS at TOR
George Vukovich (PHI)	G4 1981 NLDS vs. MON
John Lowenstein (BAL)	G1 1979 ALCS vs. CAL
Dusty Rhodes (SF)	G1 1954 WS vs. CLE

HOMERS SHALL FLY

The Marlins hit a team postseason-high four home runs on October 7 at Chicago. Three of the homers (by Rodriguez, Encarnacion, and Cabrera) came in the third inning, marking the first time in NLCS history that a team homered three times in an inning. Cabrera's and Encarnación's homers were back-to-back, the seventh time in NLCS history that a team had players hit back-to-back homers.

A RECORD-SETTING NIGHT

The 17 extra-base hits by the Marlins and Cubs on October 7 set a new LCS record, surpassing the previous mark of 12, done on October 5, 1975 (OAK and BOS) and October 9, 1993 (PHI and ATL). The seven HRs by both teams also set a new LCS record.

CABRERA AMONG THE YOUNGEST

On October 7 at Chicago, Miguel Cabrera became the second-youngest player to homer in the postseason, at 20 years, 182 days. The youngest player to go deep in the playoffs was Atlanta's Andruw Jones (19.178) on 10/17/96 vs. STL.

BECKETT'S BEST

The Marlins forced a Game 6 in the NLCS as RHP Josh Beckett threw the first complete game (CG SHO) of his career (regular and postseason) on October 12. The two-hit shutout by Beckett tied the NLCS record for fewest hits allowed in a complete game, joining CIN's Ross Grimley (10/10/72), NY's Jon Matlack (10/7/73), and SF's Dave Dravecky (10/7/87). Beckett's effort was the 15th complete game shutout in NLCS history. Beckett became the first pitcher to shut out the Cubs in a postseason game since Boston's Babe Ruth, who blanked the Cubs in Game 1 of the 1918 World Series.

DONTRELLE WITH THE BAT

Dontrelle Willis became the first Marlins pitcher to collect a multi-hit game in postseason play as he went 3x3 on October 4 vs. SF. Willis' three hits set a postseason rookie pitcher record. He was the first pitcher to post a three-hit postseason game since LA's Orel Hershiser did it in Game Two of the 1988 World Series vs. Oakland.

IN SELECT COMPANY

According to research by ESPN, Josh Beckett became the third pitcher in postseason history to throw a complete game shutout, allowing two hits or less and fanning 10 or more. Beckett joins Roger Clemens (2000 ALCS vs. SEA, 15 K) and Big Ed Walsh (1906 WS vs. CHC, 12 K) on that list.

IN AN ELIMINATION GAME

According to Jayson Stark of ESPN.com, Beckett became the fourth pitcher in the last 40 years to pitch a CG SHO with his team facing elimination (excluding G7's in LCS or WS or G5's in DS). Beckett joined the list with Curt Schilling (1993 WS), Danny Jackson (1985 ALCS), and Joe Coleman (1972 ALCS).

BIG INNING

The Marlins scored all eight of their runs in the eighth inning on October 14 at Chicago in an 8-3 win. The eight-run inning established a Marlins playoff record, surpassing their previous best of seven, done in the ninth inning of Game 3 of the 1997 World Series (October 21). The eight-run inning also tied an overall Marlins' record for runs scored in an inning, done for the ninth time overall and the first time since July 25, 2003 vs. PHI. The Fish were one run from tying the all-time NLCS record (nine), done by St. Louis in the second inning on October 13, 1985 vs. LA.

According to ESPN, the Marlins became the fifth team in LCS history to come back from a three-run or greater deficit in postseason play to win when facing elimination, and the first since Game 5 of the 1986 ALCS (Game 5 - Boston at California).

BACK FROM 3-1

The Marlins became the fourth team in LCS history (since 1985) to overcome a 3-1 deficit to capture the pennant. Prior to Florida's accomplishment, only one NL team had done it, the 1996 Atlanta Braves, who won three straight over St. Louis to advance to the World Series. Below is a look at the list of 3-1 LCS comebacks:

YEAR	LCS COMEBACKS	WORLD SERIES RESULT
1985	KC over Toronto	KC over STL (4-3)
1986	Boston over California	NYM over BOS (4-3)
1996	Atlanta over St. Louis	NYY over ATL (4-2)
2003	Florida over Chicago	FLA over NYY (4-2)
2007	Boston over Cleveland	BOS over COL (4-0)

AN MVP PERFORMANCE

Marlins' catcher Pudge Rodríguez was named the NLCS Most Valuable Player, as he hit .321 (9x28) with two home runs and 10 RBI. The 10 RBI set a new NLCS record, surpassing the previous mark of nine, done by San Francisco's Matt Williams in 1989. Rodríguez became the fifth catcher in NLCS history to win MVP honors. Pudge joins STL's Darrell Porter (1982), ATL's Javy Lopez (1996), ATL's Eddie Pérez (1999) and SF's Benito Santiago (2002).

A TOUGH TRICK TURNED

The Marlins advanced to the World Series by winning consecutive road games trailing three games to one, a feat done for the fifth time in postseason history: 1958 (NYY over MIL Braves in WS), 1968 (DET over STL in WS), 1979 (PIT over BAL in WS), 1985 (KC over TOR in ALCS) and 2003 (FLA over CHC in NLCS).

WORLD SERIES

The Marlins became the first team in MLB history to reach the World Series as a Wild Card entry twice.

OF HISTORIC SIGNIFICANCE

The Marlins became the third expansion team to win multiple World Series, joining the New York Mets and Toronto Blue Jays. The Jays won their two World Championships in their first 17 seasons, while the Mets did it in their first 25 campaigns. The Marlins won two World Championships in their first 11 Major League seasons. The Marlins would become the first team in the post-expansion era to accomplish the feat.

JACK MCKEON

Marlins' manager Jack McKeon became the second manager in Major League Baseball history to lead his team to a World Series championship after taking over his Club during the season. The first manager to accomplish the feat was the Yankees' Bob Lemon in 1978 when he replaced Billy Martin.

EXPANSION NOTABLES

The Marlins were one of five expansion teams to reach the World Series multiple times. The New York Mets lead the list with five Fall Classic entries (win in 1969, loss in 1973, win in 1986, loss in 2000, and loss in 2015). The Kansas City Royals have the second-most with four (loss in 1980, win in 1985, loss in 2014, and win in 2015), while the Marlins, San Diego Padres (loss in 1984 and loss in 1998), and Toronto Blue Jays (win in 1992, win in 1993) have each made two World Series appearances.

AGE IS A STATE OF MIND

Marlins' manager Jack McKeon became the oldest skipper to lead his team to the World Series, as the Series opened with McKeon 72 years and 329 days old. McKeon is ahead of Casey Stengel (70.067 in 1960 with NYY), Connie Mack (68.283 in 1931 with PHA), Stengel (68.063 in 1958 with NYY), Mack (67.283 in 1930 with PHA) and Stengel (67.064 in 1957 with NYY). McKeon was the first manager since Philadelphia's Paul Owens (in 1983) to lead his team to the World Series after not beginning the season as that Club's skipper.

HOW DO YOU DO, MR. GONZÁLEZ

Alex González hit a walk-off homer off the Yankees' Jeff Weaver in the bottom of the 12th inning on October 22. It marked the first walk-off homer in Marlins postseason history and holds significance in baseball history. It marked the 13th time that a World Series game ended on a home run and the first time since October 31, 2001 (G4 vs. ARI), when Derek Jeter homered in the bottom of the 10th inning.

According to research done by ESPN, González was the third player in baseball history to have his first career postseason homer come as a World Series walk off, joining Dusty Rhodes (1954 NYG vs. CLE) and Eddie Mathews (1957 MIL Braves vs. NYY). ESPN also noted that González was the third player to hit a walk-off homer against the Yankees in World Series play, joining Bill Mazeroski (1960 G7, with PIT) and Mathews (1957 G4, with MIL).

A PENNY FOR YOUR THOUGHTS

RHP Brad Penny went 2-0 with a 2.19 ERA in two World Series starts against the Yankees. Penny became the 13th pitcher to beat the Yankees twice in the same Series, joining Sandy Koufax, Bob Gibson, and Randy Johnson as the only four to do so in the last 40 years.

BECKETT NAMED WORLD SERIES MVP

Josh Beckett (1-1, 1.10 ERA in WS) became the youngest World Series MVP since 22-year-old Liván Hernández claimed the honor for the Marlins in 1997. Beckett became the first pitcher since Minnesota's Jack Morris in 1991 to pitch a complete-game shutout in a deciding World Series game, the 19th overall in baseball history. It was the first complete game shutout in a World Series game since Arizona's Randy Johnson on October 28, 2001 at New York. Beckett's five hits were the fewest hits in a deciding complete game shutout since Baltimore's Scott McGregor (5) in 1983. He became the youngest pitcher to win a deciding World Series game (23 years, 5 months, 10 days) since Kansas City's Bret Saberhagen (21.6.16) in 1985. Beckett fanned 47 batters in the 2003 postseason, tying Randy Johnson (2001) for second-most strikeouts in a single postseason behind Arizona's Curt Schilling in 2001 (56).

BOTTOM FEEDERS

The Marlins entered the COVID-delayed 2020 season coming off a 57-105 record in 2019, beating the Philadelphia Phillies on Opening Day in July and becoming the first team to win at least seven of its first eight games after losing 105 or more the previous year since the St. Louis Perfectos, a team that featured Cy Young, began 7-1 in 1899 according to @StatsbySTATS. The Perfectos would finish the season 84-67, good for fifth in the National League. According to *Elias Sports Bureau,* Miami is just the third team in MLB history to win seven of its first eight games, joining the Perfectos (7-1 after 39-111) and the 2003 Kansas City Royals (8-0 after 62-100).

On Sept. 25, 2020, the Miami Marlins (31-29) became the second team in MLB history to make the postseason in the year following a 100-loss season.

UNPRECEDENTED CIRCUMSTANCES

The Marlins left Miami on July 21st for what was supposed to be a six-day road trip with two exhibition games in Atlanta and the season-opening series in Philadelphia before returning home to loanDepot park on July 27. After the completion of the Phillies series on Sunday, July 26, the team was quarantined in their Philadelphia hotel for eight days, the team resumed play on the road for what would end up being on the road for 23 days. Miami made 60 roster moves on the trip and went 9-4 in 13 games.

NATIONAL LEAGUE WILD CARD SERIES

WILD CARD HOPEFULS

The Marlins returned to a familiar spot, fighting for a spot in the National League Division Series after landing their third Wild Card berth in as many playoff appearances. The 1997 Marlins were the first team in the Wild-Card Era (began in 1995) to win a World Series as a Wild Card team, and the 2003 Marlins became the third team to do so (following the 2002 Anaheim Angels). Since then, it had been done by the 2004 Boston Red Sox, 2011 San Francisco Giants, and 2019 Washington Nationals.

ENTER SANDMAN

In Game 1 of the National League Wild Card Series against the Chicago Cubs at Wrigley Field, RHP Sandy Alcantara surrendered just 1 run (solo home run) over 6.2 innings before OF Corey Dickerson hit a go-ahead 3-run homer in the seventh inning to put the Marlins up for good. Dickerson, who had 7 home runs during the regular season, only had one go-ahead home run in 2020 prior to his postseason shot.

SIXTO SENSATION

Another low-scoring affair in Game 2 was due to the credit of 22-year-old Dominican-born rookie Sixto Sanchez, who tossed 5.0 scoreless innings with 6 strikeouts, allowing only 4 hits. Sanchez, ranked by MLB Pipeline as the Marlins' No. 1 prospect ahead of the 2020 season, made his Major League debut on Aug. 22, 2020 at Washington. He went on to post a 3.46 ERA (39.0 IP/15 ER) in 7 starts through the end of the 2020 Regular Season with 11 walks, 33 strikeouts, and a 3-2 record. Included in that record was a 7-inning complete game victory on Sept. 13 vs. Philadelphia in which he held the Phillies to 1 run on 3 hits.

CLUTCH COOP

In a stalemate between starting pitchers (RHP Sixto Sanchez vs. RHP Yu Darvish, who finished 2nd in NL Cy Young voting in 2020), Miami broke through with 2 outs in the seventh inning thanks to INF Garrett Cooper's first career postseason home run. The solo shot opened the gates for the Marlins' offense, who tacked on 1 more run in the inning on OF Magneuris Sierra's RBI-single to score pinch-runner Lewis Brinson.

SAVING THE DAY

RHP Brandon Kintzler converted 12 of his 14 save opportunities during the regular season and closed each of the 2 games Miami took from the Cubs in the NLWCS. Kintzler, who entered in the ninth with the Marlins up 5-1 in Game 1, surrendered a leadoff double to Wilson Contreras before retiring the next 3 batters to secure Miami's first postseason win since 2003. In Game 2, 2 days later, Kintzler again allowed a leadoff double. The veteran right-hander struck out the next 3 batters to record his first career postseason save and send the Marlins to the NLDS.

AGAINST ALL ODDS

Miami solidified its sweep over Chicago-NL, becoming one of three NL teams to sweep the three-game set in the restructured postseason bracket and the first team in MLB history to win a postseason series after having a 100-loss season. The franchise advanced to 7-0 in a postseason series dating back to 1997.

NATIONAL LEAGUE DIVISION SERIES

EXCEEDED EXPECTATIONS

Miami fell to Atlanta in the NLDS, losing the first 3 games and scoring a total of 5 runs, all of which came in Game 1. It marked the first time the Marlins dropped a postseason series, as the club won World Series titles the only other times they reached in 1997 and 2003. The Marlins were measured to have just a 0.2% chance to make the postseason prior to 2020 Opening Day.

The Miami Marlins celebrate their first postseason berth since 2003 on Sept. 26, 2020 at Yankee Stadium.

2023 NOTES

- Luis (loo-EECE) Arraez (ah-RISE) was crowned the 2023 National League batting champion with his .354 AVG, becoming the first player in MLB history to win a batting title in both leagues in consecutive seasons.

- Set career highs in AVG (.354), OBP (.393), SLG (.469), OPS (.862), games played (147), hits (203), home runs (10), RBI (69).

- While leading MLB in AVG, he ranked 3rd in hits, t-5th in intentional walks (10), and struck out over 20 times less than any other qualified hitter (34).

- His .354 batting average set a Marlins single-season record, surpassing the previous best mark held by Hanley Ramirez in 2009 (.342). Arraez joined Hanley in that season and Dee Strange-Gordon in 2015 (.333) as the only Marlins players to win the batting title, but became the first Marlin to lead MLB in average at the end of the season.

- Finished his season with 203 hits in 617 plate appearances, striking out just 34 times. Became the first player in MLB since Plácido Polanco (DET) and Juan Pierre (LAD) in 2007 to finish a season with more than 600 plate appearances while striking out less than 40 times.

- Recorded hit No. 200 and 201 of the year on Sept. 18 vs. MIL. Became the fourth player in Marlins history to reach the 200-hit plateau in a single season and the first since Dee Strange-Gordon in 2017.

- Recorded his first career multi-HR game on Friday, Sept. 15 vs. ATL, with a leadoff home run off Bryce Elder and a solo shot in the 7th inning off Pierce Johnson. Became the 9th player (19th occurrence) in club history to hit 2 home runs from the lead-off spot, and the first since Jorge Soler on Aug. 18, 2023 at LAD.

- Became the third player in club history to hit leadoff home runs in consecutive games on Sept. 15-16 vs. ATL, joining Miguel Rojas (July 27-28, 2019) and Hanley Ramirez (July 17-18, 2006).

- Clubbed 4 leadoff homers in the month of September, joining Hanley Ramirez as the only players in club history to hit 4-or-more leadoff home runs in a season. Arraez has 4 this season, while Ramirez had 9 in 2008, 8 in 2007, and 7 in 2006.

- Became the seventh player in Marlins history to secure a spot on the All-Star team via fan election, joining Marked his second career All-Star selection, having earned the honor last year with Minnesota. Marked the first time the Marlins had a player win a fan election in back-to-back seasons, following Jazz Chisholm Jr. also at 2B last year, since Hanley Ramirez in three straight seasons from 2008-10.

- Started at second base and batted 6th for the National League in their 3-2 victory over the American League in the Midsummer Classic on July 11 at T-Mobile Park in Seattle. Went 2x2 with hits on the first pitch he saw in each of his at-bats, including a game-tying RBI-single in the fourth inning.

- Finished the first half of the season leading MLB with a .383 AVG, .434 OBP, 126 hits, and striking out only 19 times in 362 PA (0.52 K/PA), the lowest mark among qualified hitters in MLB.

- His 35 multi-hit games entering the All-Star Break trailed only Ronald Acuna Jr. in MLB in 2023 and was one shy of the Marlins record for multi-hit games in the first half, set by Miguel Cabrera who had 36 in 2006.

- Became the first player in MLB this season to reach 100 hits. Recorded 102 hits through his first 67 games, becoming the second-quickest Marlin to reach the 100-hit plateau behind only Dee Strange-Gordon who did so in 65 games in 2015.

- Recorded a career-high 5 hits three times in the month of June - June 3 vs. OAK, June 16 at WSH, and June 19 vs. TOR. Became one of four players since 1900 to record three 5-hit games in a calendar month, tying the record set by George Sisler (Aug., 1921, Ty Cobb (July, 1922), and Dave Winfield (June, 1984) - *Elias Sports Bureau.*

- His seven games of 4-plus hits led MLB, and surpassed the club record set by Hanley Ramirez (5, 2007). He also led MLB with his three 5-hit games.

- On June 3 vs. OAK, went 5x5 with 2 singles, 3 doubles, and 5 RBI, matching the club record for hits in a game and doubles in a game, and setting a career high in RBI. He also became the first Marlins player to record 5 hits and 5 RBI in a single game.

His cycle came with a double in the first inning, triple in the sixth inning, homer in the seventh inning and a single in the eighth inning. According to the *Elias Sports Bureau,* during the Expansion Era, was just the seventh cycle to be completed in the same order, last was Eddie Rosario (9/19/21 w/ATL at SF).

- Arraez became just one of two players in the Wild-Card Era (since 1995) to post a batting average above .500 through 14 games (min. 45 plate appearances), joining SF's Barry Bonds who hit .500 (19x38) through 14 games in 2004. His 24 hits marked the most in club history through a player's first 14 games in a season, surpassing the previous high of 23 held by Dee-Strange Gordon in 2015.

- Became the second player in Marlins history to reach base safely as the starting leadoff hitter in each of the first four games to start a season, joining Hanley Ramirez in 2006 (credit: *Elias*).
